

## MONTHLY REPORT ON MAY

The report includes:

- Food support on share light day
- Save neighbor project (House construction to support poor family)

### FOOD SUPPORT

The following below are pictures of food support program during the sharelight day, it was held on 26<sup>th</sup> April 2023 at CPD school. In this ceremony we provided food and we did roads repairing in the village.

During the event 9 family gathered includes new family. We visited at CDP school to repair the street roads around lubungo village. We did it because during the rainy season the road condition is bad so that the car and people can't use easily. Most of lubungo roads are narrow shape not widely, that's why we started to do repairing by making widely roads even the car will be easily to pass by and the program will be proceed every month in sharelight day.

We ended up the program after listen the preaching from Pastor Steven, he prepared a good message to all family.

They were happy for the event and we gave them the food and take pictures.

They told me to speak on their behalf that they thank you for all the help you give them like food and housing, they finished to say God bless you all.

### SAVE NEIGHBOUR PROJECT (HOUSE SUPPORT)

The construction of three house now is finish, the family will be able to use. We spent almost one month and half even through our expectation was only one month but it was difficult to send materials because was spring season.

The following pictures below are all the houses which is finish and ready to use.
